## CAREER OBJECTIVE

Bachelor of Science in Information Technology graduated, looking for a Web Designer position where I can apply my skills. Help the company grow by making an attractive website.

## EXPERIENCE

### IT STAFF

2019 - PRESENT

### DR. FERNANDO B. DURAN SR. MEMORIAL HOSPITAL

As an IT Staff we do a lot of Photoshop, like making design for Hospital Org. Chart. Aside from that. I am also assigned on making hospital's website using Wordpress. We also maintain the hospital system and learn a lot about networking.

### Clerical Aide

2019 - 2019

### DR. FERNANDO B. DURAN SR. MEMORIAL HOSPITAL

I learn the process of Philhealth/ Claims Department inside the hospital, Since I am one of the phileahlth/ claims processors. I was trained in encoding and sending data to philhealth main system.

### Web Developer

2018 - 2018

### LEARNING WEBSITE DEVELOPMENT

The company has no name but it's like a start up and we develop a udemy like website, Our goal is to promote each filipino a chance to upload a tutorial also receiving income.

### Technical Support Engineer

2018 - 2018

### PRESTIGE / E-MEDIA INCORPORATED

The company has partnership with SM that develop Kiosk System for advertising through ads. As a tech support our main task is to maintain ad update some ads on Kiosk System.
